

Join our HOG Hunt!

At Mike Bruno's Bayou Country H-D/Buell we realize our best form of advertising is you, our satisfied Body of Customers. Realizing this, we have developed a Friends and Family Referral Program. This program thanks you for sharing your positive experiences with others and recommending them to us.

Here's how the program works. Print this page and give us some basic contact information for three Friends, Family, or Co Workers that are interested in joining our Harley-Davidson Family. Bring this page to our dealership and get a Free T-Shirt! If our Salesperson successfully sells a HOG to your referral, you'll get a \$100.00 gift card good for anything at Mike Bruno's Bayou Country Harley-Davidson/Buell.

Like any successful program, you must set forth guidelines in order to avoid misunderstandings or differences of opinion.

1. Referrals expire after 90 days.
2. Rewards must be collected by the named "Hunter."
3. Rewards have no cash value and cannot be exchanged for any other goods or services.
4. HOG Hunters and previous customers cannot be leads.
5. We reserve the right to disqualify any lead for any reason.

There is absolutely No Obligation for participating. All information will remain confidential and will not be shared in any way. Happy HOG Hunting!!
